All other capitalized terms used herein shall have the meaning set forth in the relevant Privacy Laws, or as specified elsewhere in the Agreement(s).

2. **Compliance with Privacy Laws.** Supplier guarantees it will implement appropriate administrative, technical, and physical controls in such a manner that Processing under this Addendum will meet the requirements under applicable Privacy Laws. Supplier shall promptly, and without undue delay, notify Lumen if Supplier determines that it can no longer meet its obligations under applicable Privacy Laws or this Addendum.
3. **Restriction on Sub-Processors.**
 - a. Lumen authorizes Supplier to engage other parties for Processing Lumen Personal Information (each such party, a “Sub-Processor”). Supplier shall maintain a list of all Sub-Processors engaged by Supplier to be provided to Lumen upon request. Supplier shall provide Lumen with prior written notice of any changes to its Sub-Processors, and Lumen shall have thirty (30) days to object to such change.
 - b. Notwithstanding the foregoing, Supplier shall only engage such Sub-Processor for conducting the specific Processing activities authorized by Lumen pursuant to the terms of a written agreement containing the same obligations as set forth herein with respect to such Sub-Processor’s Processing of Lumen Personal Information. In the event any Sub-Processor fails to fulfil its obligations under such written agreement, Supplier shall remain fully liable to Lumen for the performance of such Sub-Processor’s obligations.
4. **Processing.** When Processing Lumen Personal Information, Supplier shall (and shall procure that its affiliates and Sub-processors shall):
 - a. Document the duration, nature, and purpose of the Processing for specific services, along with the type of Lumen Personal Information and categories of Data Subjects separately in Statements of Work, Order Forms, and similar attachments to the Agreement.
 - b. Only Process Lumen Personal Information on Lumen’s documented instructions. If Supplier believes that Lumen’s instructions infringe, or are likely to infringe, applicable law, Supplier shall immediately notify Lumen of the same. Supplier shall not engage in any Processing until the parties have resolved the legality of the Processing. If Supplier is required to Process Lumen Personal Information for a reason other than as instructed by Lumen pursuant to applicable law to which the Supplier is subject, Supplier shall inform Lumen of that legal requirement prior to engaging in any additional Processing, unless applicable law prohibits such disclosure.
 - c. Ensure that persons authorized to Process Lumen Personal Information are subject to appropriate confidentiality requirements.
 - d. At Lumen’s option, permanently destroy or return all Lumen Personal Information after the end of the provision of services relating to Processing of such Lumen Personal Information and permanently destroy all existing copies of such Personal Information in accordance with the terms set forth herein unless applicable law requires Supplier to maintain such Personal Information. In the event Supplier retains such Personal Information pursuant to legal requirements, Supplier shall (i) provide Lumen with written notice of such requirements; (ii) continue to protect such retained Personal Information in accordance with this Addendum; and (iii) only use such retained Personal Information to fulfil Supplier’s obligations under applicable legal requirements. Upon Lumen’s request, Supplier shall cause an executive officer of Supplier to formally certify, in form and content reasonably satisfactory to Lumen, that Supplier has complied with the foregoing secure destruction requirements.
 - e. Notify Lumen in writing or electronically, within five (5) calendar days, if Supplier receives a request to exercise access rights from a Data Subject relating to that individual’s Personal Information (a “Data Subject Request”).

Supplier shall not otherwise communicate with an individual regarding such Data Subject Request unless Lumen directs Supplier to do so. Supplier shall, in a manner consistent with the nature and functionality of the services provided in the Agreement and Supplier's role as a Processor or Service Provider, provide reasonable assistance to Lumen to enable Lumen to comply with its obligation to respond to a Data Subject Request, including, but not limited to, providing, deleting, or correcting any Lumen Personal Information in Supplier's possession.

Where applicable, those records shall include information about transfers of Lumen Personal Information to a Third Country or an international organization; the identification of that Third Country or international organization; and, in the case of transfers to a Third Country that does not provide adequate protection for Personal Data within the meaning of Article 45 of the GDPR, documentation of the suitable safeguards implemented to enable such transfer.

Supplier acknowledges that Lumen Personal Information shall only be Processed pursuant to Lumen's instructions or a **"Business Purpose"** including those Business Purposes outlined separately in Statements of Work, Order Forms, and similar attachments to the Agreement. Supplier understands that Lumen may exercise any right of a Controller or Business under Privacy Laws including, but not limited to, any right that: (a) permits Lumen to take reasonable and appropriate steps to ensure that Supplier uses Lumen Personal Information consistent with Lumen's Business Purpose; and/or (b) stops or remediates Supplier's unauthorized use or misuse of Lumen Personal Information, upon notice to Lumen. Without unreasonable delay, but no later than five (5) days, Supplier shall notify Lumen if it can no longer meet its obligations under US Privacy Law.  - ii. If Supplier collects Personal Information directly from consumers on behalf of Lumen, Supplier shall provide all required CCPA-compliant notices at the time of such collection.
 - iii. If Lumen provides Supplier with deidentified Lumen Personal Information, or if Supplier deidentifies Lumen Personal Information, Supplier agrees to (i) take reasonable measures to ensure that such deidentified Personal Information cannot be associated with a consumer or household, (ii) not attempt to reidentify such Personal Information, and (iii) contractually obligate any further recipient to comply with all provisions of this Addendum.

- a. Under the requirements of the GDPR, Supplier shall not transfer any Lumen Personal Data to any Third Country or international organization without Lumen's written consent. - h. Supplier shall maintain a written record of all transfers to Third Countries or international organizations made pursuant to this Section and shall make a copy of such record available to Lumen and/or any Supervisory Authority upon request.

7. Information Security Measures. In addition to, and not in lieu of, any information security requirements set forth in the Agreement, Supplier shall implement appropriate administrative, technical, organizational, and physical controls to ensure that Supplier’s Processing of Lumen Personal Information complies with all requirements under applicable Privacy Laws and is protected against accidental or unlawful Processing, destruction, loss, alteration, unauthorized disclosure of, or access. Such controls, to the extent appropriate under the circumstances and taking into account the state of the art, the costs of implementation and the nature, scope, context, and purposes of the Processing, shall meet or exceed the requirements of the Information Security Requirements found at Lumen’s Supplier Portal ([Information Security Requirements \(lumen.com\)](https://lumen.com/information-security-requirements)). Supplier shall allow, and cooperate with, reasonable assessments by Lumen or Lumen’s designated assessor on an annual basis (or more frequently if Supplier experiences a Security Incident).
