

**PURCHASE ORDER STANDARD TERMS AND CONDITIONS
FOR PRODUCTS / SERVICES DESIGNATED FOR FEDERAL GOVERNMENT CUSTOMERS**

These Purchase Order ("Order") Standard Terms and Conditions consist of this paragraph, the General Terms and Conditions below, and the applicable Specific Terms and Conditions. The Order constitutes Lumen's offer to Supplier for the Purchases specified in the Order and does not include any terms or conditions contained in any quote from Supplier, which the parties agree are specifically excluded from Lumen's offer and shall have no force or effect. The prices for such Purchases shall be as specified in Supplier's quote to Lumen, as specified in a master agreement between Lumen and Supplier, or as otherwise agreed in the Order. Supplier's acceptance of an Order from Lumen and the sale contemplated thereby are governed by the terms and conditions of any master agreement between Lumen and Supplier, which master agreement shall take precedence over these Purchase Order Standard Terms and Conditions ("Terms"). If no such master agreement exists, then the Order is covered solely by the terms of the Order and by the terms contained herein. If Supplier uses its own form or any other form to accept the Order, said form shall be used for convenience only and any terms and conditions therein shall be of no force or effect.

GENERAL TERMS AND CONDITIONS

1. DEFINITIONS; APPLICATION:

"Affiliate" is a legal entity that directly or indirectly controls, is controlled by, or is under common control with Lumen Technologies Government Solutions, Inc. An entity is considered to control another entity if it owns, directly or indirectly, more than 50% of the total voting securities or other similar voting rights.

"Documentation" means tangible or intangible information necessary for the use, planning, engineering, installation, operation and maintenance of Purchases, including: user manuals, test data, flow charts, data file listings, loading and unloading procedures, machine configuration information, routines, subroutines, training materials, product release information, or related information.

"Lumen" means Lumen Technologies Government Solutions, Inc., or an Affiliate of same, including Level 3 Communications, LLC; in either case, the entity who placed the Order.

"Purchases" means, collectively or individually, the products or services purchased, or software licensed, pursuant to an Order.

"Supplier" means the entity to which an Order is issued.

2. SPECIFICATIONS:

Supplier will provide all Purchases in accordance with the following requirements (collectively, "Specifications"): these Terms; the Order; any Documentation; applicable requirements and specifications in any written materials published or provided by Supplier; and industry standards.

3. ORDERS:

Unless rejected by the Supplier within 48 hours of receipt, the Order is deemed accepted. Except as otherwise provided in the Order, the prices stated in the Order shall include (a) all applicable sales, use and other taxes, and (b) all charges for Supplier's packing and crating, and for transportation to the FOB point stated in the Order. After Supplier's acceptance of an Order, Lumen may delay the scheduled date for delivery, performance, customization, or assembly of any or all Purchases without penalty. All other modifications or amendments to the Order must be agreed to in writing by both parties. Lumen Purchases are valid only if accompanied by an Order. Any Purchase fulfilled without an Order or a properly modified Order will be at the sole risk of the Supplier.

4. INVOICES AND PAYMENTS:

a. Invoices. Supplier will invoice Lumen by a mutually agreeable method within the time period and upon the triggering event described in the Specific Terms and Conditions. Each invoice will contain an itemized description of the Purchases and all applicable charges and taxes (exclusive of taxes based on Supplier's income). Lumen will be liable only for undisputed and correct taxes itemized on the invoice for Purchases to which the taxes relate. Supplier is responsible for charging the correct taxes on the applicable invoice. If any tax claim arises based on a Supplier invoice, Supplier will be responsible for any penalties and interest associated with any additional tax assessment. Supplier must be registered by the taxing jurisdictions to collect sales and/or use taxes within the states to which Purchases are provided.

b. Payment Due Date. Lumen will pay each undisputed invoice in U.S. dollars within 60 days of Lumen's receipt of the invoice. Payment will not constitute acceptance of the applicable Purchases.

c. Dispute. Lumen will notify Supplier of any dispute with respect to an invoice in writing within 10 days of receipt of the invoice. Each party will use commercially reasonable efforts to resolve any payment dispute within 180 days of notice of the dispute.

d. Offset. Lumen may deduct or offset any amount due or to become due to Supplier against any claim Lumen has against Supplier, including claims not relating to the Order.

e. Overpayment and Credits. Supplier will return overpayments to Lumen within 15 days after receipt. Credits not taken by Purchases by Lumen within 90 days will be remitted by check or electronic-funds transfer ("EFT") to the remittance address on Lumen's Order.

5. ACCEPTANCE:

Supplier will, at its expense, repair, re-perform or replace the Purchases, as applicable, within 15 days after receipt of Lumen's notice of rejection. The foregoing procedure will be repeated until Lumen accepts or finally rejects the Purchases in its sole discretion. If Lumen accepts any Purchases that contain a defect or nonconformity not apparent on examination, Lumen reserves the right to revoke acceptance. If Lumen finally rejects or revokes acceptance, Supplier will refund to Lumen all amounts paid by Lumen for such Purchases.

6. REPRESENTATIONS AND WARRANTIES:

a. Supplier represents and warrants that:

- i. Supplier has all requisite ownership, rights and licenses to perform fully its obligations arising in connection with the Order and to grant to Lumen all rights to the Purchases, including good and marketable title for tangible products, free and clear from any and all liens, adverse claims, encumbrances and interests of any third party;
- ii. for a period of twelve (12) months from acceptance, all Purchases will: (a) conform with all Specifications; (b) be new and merchantable; and (c) be free from deficiencies and defects in materials, workmanship, design and/or performance;
- iii. there are no pending or, to Supplier's knowledge, threatened lawsuits, claims, disputes or actions: (a) alleging that any

Purchases infringe, violate or misappropriate any third-party rights; or (b) adversely affecting any Purchases or Supplier's ability to perform its obligations under the Order; and

iv. use of any Purchases as permitted under the Order will not infringe, violate, or misappropriate a patent, copyright, trademark, trade secret or other intellectual property or proprietary right of any third party.

b. All warranties granted under the Order shall pass through to Lumen or Lumen's customer, at Lumen's choice. Supplier shall assist Lumen or its designated customer with claims under the applicable warranty. Warranties will not be affected by removal, relocation or resale of such Purchases and warranties will survive inspection, acceptance, and payment. Warranties will run to Lumen, its agents, successors in interest, assigns and its customers. If Supplier is not the manufacturer of any Product or Software (as defined in the Specific Terms and Conditions below), Supplier will obtain the same warranty as specified under the Order from the manufacturer, will pass such warranty on to Lumen and its customer, and will assist Lumen and its customer in making claims under such warranty.

c. Defective Purchases will, at Lumen's option, either be returned to Supplier for repair or replacement with risk of in-transit loss and damage borne by Supplier and freight paid by Supplier, or be repaired, replaced or re-performed by Supplier on site. Any replacement, repair modifications, installation or other service performed by Supplier shall be warranted as herein provided.

7. LUMEN DATA; PROPERTY:

Any items furnished by Lumen to Supplier in connection with an Order, including Lumen Data (as defined below), are and will remain the property of Lumen. While in Supplier's possession, Supplier will maintain such property in good condition (ordinary wear and tear excepted) and will bear the risk of loss while such property is or was in the custody and control of Supplier. No media on which Lumen Data is stored may be used or re-used to store data of any other customer of Supplier's or to deliver data to a third party unless all Lumen Data has been securely erased. "Lumen Data" means any data or information of Lumen's that is provided to or obtained by Supplier in connection with the Order, including data and information with respect to the business, employees, customer, operations, facilities, products, rates, regulatory compliance, competitors, consumer markets, assets, expenditures, mergers, acquisitions, divestitures, billings, collections, revenues and finances of Lumen. Lumen Data shall also mean any data or information created, generated, collected, or processed by Supplier in the performance of its obligations arising in connection with the Order.

8. CONFIDENTIAL INFORMATION:

a. **Definition of Confidential Information.** "Confidential Information" means any and all business, technical or third party information (including, without limitation, Lumen Data, trade secrets, customer information, business contacts, marketing and business plans, financial data, techniques, methods, processes, specifications, drawings, sketches, models, samples and computer programs) provided, disclosed or made accessible by Lumen to Supplier in connection with the Order that is identified as confidential and/or proprietary. Confidential Information does not include information that Supplier can clearly establish by written evidence: (i) is or becomes known to Supplier from a third party without an obligation to maintain its confidentiality; (ii) is or becomes generally known to the public through no act or omission of Supplier; or (iii) is independently developed by Supplier without the use of Confidential Information of Lumen.

Supplier will only disclose Confidential Information to its employees and affiliates who have a "need to know" for purposes of the Order. Supplier will notify and inform such employees and affiliates of its obligations arising in connection with the Order, and Supplier will be responsible for any breach of these Terms by its employees, affiliates and/or agents. If Supplier is required to disclose Confidential Information pursuant to law or court action, Supplier will notify Lumen of the required disclosure with sufficient time for Lumen to seek relief, will cooperate with Lumen in taking appropriate protective measures, and will make such disclosure in a manner to best protect the Confidential Information from further disclosure. Supplier will not bring onto Lumen premises any proprietary or confidential information of any third party without Lumen's consent.

c. **Return or Destruction.** At the completion or termination of the Order, or any time at the specific request of Lumen, Supplier will (i) promptly return to Lumen any and all Confidential Information (including Lumen Data, customer information and customer proprietary network information (CPNI)), including copies of any notes, reports, or other descriptive materials of any kind, or (ii) at Lumen's written direction and at Lumen's sole discretion, timely destroy all Confidential Information of whatever format, provided that immediately after such destruction, Supplier shall certify in writing that all Confidential Information has been so destroyed.

9. SUPPLIER PERSONNEL; SUBCONTRACTING:

a. **Independent Contractor.** Supplier certifies that it is engaged in an independent business and will perform its obligations arising in connection with the Order as an independent contractor and not as the agent or employee of Lumen. The Order does not create a partnership, joint venture, or similar relationship between the parties and neither party will have the power to obligate the other in any manner whatsoever.

b. **Agents and Employees.** Any persons who perform services for Lumen will be solely the employees or agents of Supplier under its sole and exclusive direction and control. Supplier is solely responsible for: (i) the hours of work, methods of performance and compensation of its employees and agents; (ii) compliance with all federal, state and local rules and regulations including those governing worker's compensation, unemployment, disability insurance and social security withholding for its employees and agents; and (iii) all federal and state income taxes for its income derived in connection with the Order. Supplier shall indemnify and reimburse Lumen for any sums withheld from Lumen by its U.S. Government customers on account of liabilities for unpaid wages and associated liquidated damages of the Supplier or its subcontractors under this Order.

c. **Subcontracting.** Supplier will not subcontract any of its obligations arising in connection with the Order without Lumen's prior written consent, which consent Lumen will not unreasonably withhold. Lumen may delegate or subcontract any of its rights or obligations without Supplier's prior written consent. If Lumen so consents, Supplier shall provide a copy of the Order and these Terms to the subcontractor.

d. **Safety and Health.** The safety and health of Supplier's employees and agents while on Lumen's or Lumen's customer's premises will be Supplier's sole responsibility. While on Lumen's or Lumen's customer's premises, Supplier and its employees and agents will comply with all applicable rules and regulations, as well as all local, state and federal environmental, health and safety requirements, including those relating to the use and handling of hazardous materials. Supplier will immediately report to Lumen any accidents, injuries or property damage arising from Supplier's performance of the Order. Supplier will provide Lumen with copies of any safety,

health, or accident reports that Supplier files with any third party with respect to Supplier's performance of the Order.

e. Affordable Care Act: If Supplier personnel will be providing Services (as defined in the Specific Terms and Conditions below) on behalf of Lumen, then Supplier must offer Affordable Care Act (ACA) compliant medical coverage to all of its Supplier personnel who are assigned to perform Services under this Order for 30 hours a week or more no later than 90 days after the start of the Order in accordance with ACA. Such medical coverage shall be "affordable" and "minimum value" as those terms are defined in the ACA. If Supplier ceases to provide such medical coverage, it must provide written notice to Lumen within 30 days.

10. INDEMNIFICATION:

a. Intellectual Property Indemnification. Supplier will, at Supplier's expense, indemnify, defend and hold harmless Lumen (including its officers, directors, employees and agents) and its affiliates and customers against any loss, cost, expense or liability (including without limitation attorneys' fees and costs and awarded damages) arising out of any claim that Purchases, or their use, infringe, violate or misappropriate a patent, copyright, trademark, trade secret or other intellectual property or proprietary right of any third party (a "Claim").

i. Supplier's obligation to indemnify Lumen pursuant to the preceding will not apply to the extent any infringement was directly caused by any combination of Purchases with any other product, system or method unless: (a) Lumen would be reasonably expected to use the Purchases in combination with such product, system or method; or (b) the product, system or method is (i) provided by Supplier or its affiliates, (ii) specified by Supplier to work with the Purchases, or (iii) reasonably required to use the Purchases in their intended manner.

ii. If Supplier determines that any Claim is likely to result in an injunction affecting Lumen's ability to continue to use any of the Purchases, Supplier will promptly, at its expense, either (a) obtain the right for Lumen to continue using the Purchases, or (b) replace or modify them to be non-infringing and of equivalent functionality. If (a) or (b) is not reasonably possible, then Supplier will refund a pro-rata portion of the amounts paid under the Order for the Purchases (and, where applicable, based on the expected life thereof) and reimburse Lumen for all reasonable expenses for removal and replacement of the Purchases.

b. General Indemnification. Each party (for purposes of this Indemnification Section, "Indemnifying Party") will indemnify, defend and hold harmless the other (including its officers, directors, employees and agents) and its affiliates and customers against any loss, cost, expense or liability (including without limitation reasonable attorneys' fees and costs) arising from the negligence, gross negligence or willful misconduct by the Indemnifying Party (including its affiliates, agents, employees and others under its direction or control).

c. Notice and Defense. The party to be indemnified under this Section 10 will notify the Indemnifying Party within a reasonable time after receiving notice of a claim. Provided that the Indemnifying Party promptly and reasonably investigates and defends any such claim, the Indemnifying Party will have control over the defense and settlement thereof. However, the indemnified party may participate in the defense at its option and expense. The party to be indemnified will furnish, at the Indemnifying Party's reasonable request and expense, information, and assistance necessary for such defense.

11. WORK PRODUCT; DOCUMENTATION:

a. Definition of Work Product. All materials, prototypes, drawings and any ideas, designs, techniques, inventions, discoveries, improvements, information, creations, software, methods, algorithms, architectural elements, subroutines, and any other items discovered, prepared or developed by or for Supplier in the course of or resulting from performance of the Order ("Work Product") will be fully and promptly disclosed and furnished to Lumen. All right, title and interest in the Work Product will vest in Lumen and the Work Product will be deemed to be a work made for hire. To the extent it may not be considered a work made for hire, Supplier assigns to Lumen all right, title and interest in the Work Product, including all copyrights, patent rights, patents, and applications therefor. Supplier will provide all assistance reasonably requested by Lumen to document and perfect these rights.

b. Rights to Work Product. Supplier will retain ownership of its previously developed items. If the Work Product includes previously developed items, Supplier hereby grants to Lumen a worldwide, unrestricted, royalty-free, perpetual, irrevocable license to make, have made, use, market, import, distribute, copy, modify, prepare derivative works of, perform, display, disclose and sublicense such items. This license grant shall apply to Lumen's third-party contractors and agents. Lumen may allow third parties, including customers, contractors, or the public, to use the previously developed items.

c. Assistance to Convey Rights to Work Product. Supplier represents and warrants that it has all necessary agreements with its employees, contractors, and others in order to convey the ownership and license rights granted herein. Supplier will comply with Lumen's access policies and procedures.

Compliance with Laws and Policies. Supplier will obtain, at its expense, all permits and licenses, pay all fees, and comply with all federal, international (if applicable), state and local laws, ordinances, rules, regulations and orders applicable to Supplier or Supplier's performance hereunder. Specifically, Supplier and Supplier personnel shall comply with the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a), and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans, or as individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that Supplier and Supplier personnel take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability. Supplier agrees to adhere to the Lumen Supplier Code of Conduct, or with Supplier's code of conduct or own similar standards. If any terms of the Lumen Supplier Code of Conduct conflict with the Terms of this Order, the Terms of this Order will prevail. The Lumen Supplier Code of Conduct may be found at:

<https://centurylink.sharepoint.com/sites/ILPolicies/Documents/Supplier-Code-of-Conduct.pdf>

A. Remedies. No remedy specified in these Terms will limit Lumen's other rights and remedies arising in connection with the Order, at law or in equity.

B. Governing Law. This Order will be governed by the laws of the Commonwealth of Virginia without reference to its choice of law rules, and without reference to the UN Convention on Contracts for the International Sale of Goods.

C. Records and Audits. Supplier will maintain complete and accurate records of all charges associated with the Order, in accordance with generally accepted accounting principles, for eighty-four (84) months from the date of its completion, termination or expiration. Lumen may inspect and retain copies of such records on reasonable notice. Supplier agrees to cooperate with any reasonable request from Lumen to preserve information and documents, whether in paper or electronic form, in the event that Lumen reasonably anticipates a dispute with a third party in which such information may be relevant to either side's claims or defenses or otherwise subject to discovery.

D. Assignment and Delegation. The rights and obligations of each party will be binding upon and inure to the benefit of its successors and permitted assigns. Supplier may not assign or delegate its rights or obligations under the Order, in whole or in part, without the prior written consent of Lumen. Any attempted assignment or delegation by Supplier without Lumen's prior written consent shall be null and void. H. Interpretation. The term "including" in these Terms means by way of example, not limitation. Headings and subheadings used in these Terms are for convenience only and have no substantive meaning. These Terms will not be construed against the drafting party. Supplier has read and carefully considered these Terms, and agrees, after opportunity to consult with legal counsel, that these Terms are fair and reasonable.

I. Non-exclusive Agreement. The Order is non-exclusive, and Lumen does not make any commitment for or guarantee any minimum or maximum amount of Purchases by Lumen.

J. Severability. The determination that any provision of these Terms is invalid or unenforceable will not invalidate these Terms, and these Terms will be construed and performed in all respects as if such invalid or unenforceable provision was omitted insofar as the primary purpose of the Order is not frustrated.

K. Time of Essence. Time is of the essence with respect to Supplier's obligations hereunder.

L. No Supplier Dependence. Supplier acknowledges and agrees that Lumen is not responsible for knowing Supplier's dependence on revenues from sales to Lumen in proportion to Supplier's revenues from other customers, and Supplier agrees to release, hold harmless and indemnify Lumen from any and all claims and liabilities relating to Supplier's financial stability which may result from Lumen's termination of the Order for any reason whatsoever.

Such notice shall include all relevant information with respect to such dispute. Supplier agrees to include a similar requirement in any subcontract under this Order.

Lumen may at any time, by written order, without notice of any surety, make changes or additions within the general scope of the Order, to drawings, designs, specifications, instructions, method of shipment or packing, or place of inspection, delivery or acceptance. No change will be valid unless executed by a Lumen Procurement representative. If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of this Order, Supplier shall notify Lumen in writing immediately and, in Lumen's sole discretion, Lumen may make an appropriate equitable adjustment to the price, the delivery schedule, or both, which shall occur only by written modification of this Order. Any claim by Supplier for such adjustment must be

asserted within fifteen (15) days, or such other period as may be agreed on in writing by the parties, after Supplier's receipt of notice or knowledge of the change. Nothing herein shall excuse Supplier from proceeding with the Order as changed within the general scope of this Order.
